

IN HEAVEN I WAKE UP

Andrea Pighini

LA- MI- DO RE

Put me tonight near You

FA SOL LA-

I feel peace near You

LA- MI- DO RE

Lay me tonight I start to sleep

FA SOL LA-

And I make redemption dreams

LA- MI- DO RE

I see your face full of love

FA SOL LA-

You smile to me You smile to me and

DO SOL FA SOL

You walk, walk, You walk, walk

DO SOL FA SOL

You walk on my side

DO SOL FA SOL

Hold me now, hold me now

DO SOL FA SOL

We are dancing together

LA- MI- DO RE FA SOL LA-

In heaven

LA- MI- DO RE

Lay me tonight on the naked earth

FA SOL LA-

I want to die like I was born

LA- MI- DO. RE

Now I can see also inside me

FA SOL LA-

Inside me resurrection lights

LA- MI- DO RE

I feel myself like a child

FA SOL LA-

Again and again

DO SOL FA SOL

You walk, walk, You walk, walk

DO SOL FA SOL

You walk on my side

DO SOL FA SOL

Hold me now, hold me now

DO SOL FA SOL

We are dancing together

LA- MI- DO RE FA SOL LA-

In heaven

LA- MI- DO RE

Like a little child in your father's arms

FA SOL LA-

In your mother's arms

LA- MI- DO RE

In this way I feel my soul

FA SOL LA-

And I start to sleep...

DO SOL FA SOL

You walk, walk, You walk, walk

DO SOL FA SOL

You walk on my side

DO SOL FA SOL

Hold me now, hold me now

DO SOL FA SOL

We are dancing together

LA- MI- DO RE FA SOL LA-

In heaven
